

COMMUNITY DAY - UNDERSTANDING DENMARK AND THE DANES

Saturday 12.th November 2022

10.00 We sing together

Welcome greeting by Jørgen Popp Petersen, Mayor of Tønder Municipality

10.15 Program review v/ Gyrite Andersen, project manager at Multi-ethnic villages in Tønder municipality

10.20 Ursula Dietrich-Petersen, Principal at Løgumkloster Højskole
- about the High school movement in Denmark and Løgumkloster Højskole.
(Interpreted into German, Ukrainian, Romanian and English – as needed)

10.45 "Speed Dating"

foreign and Danish citizens in Tønder municipality meet at café tables for 10 minutes at a time - a total of 5 rounds. We exchange experiences about cultural differences and ask questions. What do we celebrate in Denmark? 50th birthdays, weddings, confirmations, anniversaries... How do you behave in the Danish labor market? How does the health system work? What should I insure against? Dress code or what? When should I wear nice clothes? Tact and tone - social rules of the game - what is no - go in Denmark?

11.45 We sing together

12.00 Lunch

13.00 We sing together

13.10 Danish democracy, the cooperative movement and the associations by Gyrite Andersen (interpreted into several languages)

13.30 Meeting with association life in Tønder municipality

Representatives from several local sports associations and cultural associations and Tønder cultural school talk about their association and activities.

15.30 Coffee break

16.00 Concert with the Ukrainian band "Overseas".

16.40 Walk and talk – visit Løgumkloster church.

17.30 Back to the high school

" Free comments and evaluation of the day"

18.00 Dinner at the high school

19.30 End of day

- There is interpretation into relevant languages: English, German, Romanian, Ukrainian, and others – if there is a need for it.
- There will be activities for the children in the morning.
- For those who have problems getting to Løgumkloster, there will be organized bus transportation from Tønder and Bredebro to Løgumkloster in the morning – and back in the evening.
