Visby is a well-functioning local community with a lot of activities and offers for both children and adults. We have a close community and meet regularly at events in the city. After a good start at Visby Børnehus, the children continue to Bredebø District School (0.-6. grade) and afterwards to Løgumkloster District School. If you want a private school there are possibilities in both Tønder,

The children can go to KFUM Scouts, gymnastics and football through Visby IF which also is situated at Visby old School. Or they frolic with their friends on the sportsground, where there are also playgrounds.

### What can the city offer the adults?

To the adults Visby can offer crolf, football, training with a physio-therapist, local cycling club and card game. The men can get cooking classes at Visby old school kitchen. Visby also has a volunteer fire department, which is happy to welcome new members. With the right spirit new ideas can also quickly be implemented.
